

Quality made in Germany

Noble Gifts

made from real rifle cartridges

Our products are made for more than 50 years in Germany from original cartridges cal. 7.62 mm, cal. 5.56 mm and cal. 9 mm.

For our pens - also called Bullet Pens - as well as for all other products only high quality cartridges and best materials are used.

Our products in detail:

Item No. 4000

Our best-selling model from selected cartridges cal. 7,62 mm.

Item No. 4050

A jewel for design enthusiasts from selected cartridges cal. 7,62 mm. Middle part solid brass cnc machined with high quality big refill.

Item No. 4052
